Re: Quizar Romualdo et al v. Guru Krupa 104 Corporation et al; 19-cv-5188

Your Honor:

This office represents Plaintiffs in the above referenced matter. Plaintiffs write with respect to the Court's order of July 8, 2022.

Given the amount of time that has lapsed since this case was originally filed and served, and that there has been turnover in representation since that time, Plaintiff has elected to withdraw the pending Motion for Default Judgment and re-serve the complaint on defaulting defendants in order to correct any default in service. The Plaintiff respectfully requests a time period of 45 days in which to re-serve the complaint.

The reason for this request is that it is likely that in the three years since this case was filed, the defaulting defendants are no longer at the address initially served. Further in-house attempts to locate these defendants' current or most recent addresses have not proven productive and as such the undersigned will need to contract an outside firm to locate these defendants in order to properly effectuate service.

We thank the Court for its time and attention to this matter.

Respectfully submitted,

/s/
